

## **Suzie Nyquist: BOD Nomination 2024**

I am looking forward to another opportunity to serve on the board of directors for the Denver Colorado FSC. I have been a member of the club since 1993 (previously the Denver FSC) and have been a board member many times. I have enjoyed watching our club grow and thrive since the club merger in 2021. Through the years, I have been involved in many aspects of our club operations. Some of these include:

- Apparel coordinator for Denver FSC, DCFSC, and Denver Synchronicity
- Chairperson for Hospitality at the Denver Invitational
- Chairperson for the annual Denver FSC Banquet
- Delegate at USFS governing council
- USFS Parents Committee member
- Director of Membership for the Denver FSC
- DFSC/CSC merger committee
- DFSC/DSFSC awards committee

I am committed to supporting club members of all ages, levels, and disciplines, and also our coaches and officials and parents. I have spent many years involved with Denver Synchronicity Teams as a skater, parent and manager.

I currently keep busy managing a small business called “Kate Skates” that sells figure skating supplies and crystals. In addition, I recently co-founded a new Colorado non-profit organization called the “Figure Eight Foundation”. The foundation aims to provide excellent figure skating programming and academic support to children who, for a variety of reasons, do not have access to the sport of figure skating. We are looking forward to hosting our first event, in conjunction with Girls, Inc., as we bring 30 young girls to enjoy Showtime on Ice on Saturday, April 20, 2024. Previously, I worked as a registered nurse in labor and delivery at both Rose Medical Center and Castle Rock Adventist Hospital. I am now retired from nursing.

I have two grown daughters. Katey is currently a coach with DCFSC and is embarking on a new journey as the new head coach for Miami University synchronized skating teams. Kimberley is a registered nurse and lives in Nebraska. Our 13-year-old nephew, Konner, has recently come to live with us. It has been a lot of fun welcoming him to our family and helping him grow and find direction in his life. I have been married to Karl now for 35 years. He is my biggest supporter and is always willing to help with whatever is needed at home or at the rink.

As always, I look forward to the upcoming skating season, and the many programs and events the DCFSC has to offer. I hope to help the DCFSC continue to thrive and become even stronger and better for everyone!

Thank you for your consideration.

## **John Campbell / 720-988-8006 (parent of skater, Finnley Campbell): BOD Nomination 2024**

- Former Professional Baseball Player and Manager in Hamburg, Germany
- Little league, High School and College Baseball Coach experience (have coached my son's teams for 10 years)

### Personal Profile

I grew up playing baseball, football and basketball, playing all 3 through high school and playing baseball through college and briefly in Germany post collegiate. Had the opportunity to manage and grow baseball in Germany going to schools and teaching the game during physical education courses and after school when not playing.

Attended Acting Conservatory in Vancouver, B.C. and have been a professional actor for the better part of the past 19 years.

I am a Denver Native, graduated from Littleton HS and was on the last NCAA Baseball team at the University of Denver.

**Claudia Sipan Mott: BOD Nomination 2024**

I would be honored to serve on the Denver Colorado FSC Board of Directors. My passion for the sport runs in the family and started at a young age, while watching my mom skate in California. I grew up skating with the Colorado Skating Club and then skated collegiately for the University of Denver. While I have had several roles in the sport, my favorite has been serving as a US Figure Skating Official for the past 6 years. I love indirectly being a part of a skater's journey and watching them achieve their goals (land that jump on test day!) and celebrate their accomplishments - memories that I fondly share.

Outside of skating, I hold a Bachelor's degree in Finance from the University of Denver and a Master's degree in Systems Engineering from George Washington University. I currently work as a Systems Engineer at Raytheon Technologies, supporting the next generation of GPS satellites. My amazing husband and I live in Castle Rock with our fur-baby, a black German Shepherd.

Thank you for your consideration!

**Cassy Papajohn: BOD Nomination 2024 (US Figure Skating Technical Official)**

I would be honored to continue serving on the Denver Colorado FSC Board of Directors. I have served on the board the past two years and 12 years previously with Denver FSC. I enjoy supporting, creating and implementing fabulous programs for our members. I have most recently served as the SkateSafe Monitor, Competitions and Awards Committee liaison.

I originally joined Denver FSC in 1986 and have been a proud member ever since and am privileged to have been recognized as an honorary member. I represented the club to the top of the podium as the 1996 and 1998 U.S. Senior Figures' Champion. Additionally, I competed with Denver Synchronicity on the Adult and Masters teams between 2006 - 2010. I have served as an official throughout the country as well as Mexico, receiving my first appointment in 1999.

I have a background in IT/computer engineering and business operations, but my passion is event management. I have partnered with clubs and groups in a few states around the country to chair a figure skating competition. I worked for U.S. Figure Skating for 6.5 years growing their IT project management and support teams and lead vendor integrations. I have also volunteered with Delta Delta Delta advising collegiate chapter leadership on business operations, policy implementation and event management. My vast background in skating allows me to bring much skating and business operation knowledge to the club.

I appreciate your consideration to continue serving the club!

## **Linda DeBianco: BOD Nomination 2024 (US Figure Skating Judge)**

After serving on the Colorado Skating Club Board for 15 years, serving as Secretary and Board member at large, I am honored to have the opportunity to serve on the Denver Colorado Figure Skating Club Board. As a skater I skated in numerous Showtime on Ice performances and got to be a part of Peggy DeLio's creativity and expertise. I went on to skate with the Ice Capades touring for six years where I skated with some of the best skaters and choreographers in the world. Recently I received recognition for 25 years as a USFS Judge. Through skating I have made some life-long, treasured friends.

I have a Bachelors Degree in Marketing and have worked at the Denver Athletic Club for nearly 30 years. As the Executive Manager I have extensive experience in meeting planning, governance, wedding planning, member event production, member relations, management, and marketing.

I appreciate your consideration and would enjoy serving the club!
